

**Measure A Strategic Plan - Project Data Sheet**

Project Number:  Sponsoring Agency:   
 Project Name:

Date Updated:   
 Version:

**PROJECT DESCRIPTION**

- 1 The North County Interregional Transit Program will maintain and expand bus service between South Coast and North County regions and between Santa Barbara County and adjoining counties
- 2 Funding would be used to deliver expanded peak hour commute and express bus service and provide greater frequencies on existing routes.

**ASSUMPTIONS**

- 1 Any public transit operator providing interregional services shall be eligible to receive these funds and funds allocated under this program shall be allocated directly to the public transit operator providing the service.
- 2 Expenses for vehicles, capital facilities such as transportation hubs, operations and planning and promotions are eligible.
- 3 While not shown below, other non-Measure A funds may be used to fund this project
- 4 Prior to the next Measure A Strategic Plan update, SBCAG staff will develop policy board alternatives that will provide more direct administrative control over the Clean Air Express. This new policy committee will review and approve staff recommendations for short and long term service planning and recommend the annual Clean Air Express Program of Projects to the SBCAG board. The new Clean Air Express policy board shall include elected officials representing all Clean Air Express customers residing in Santa Barbara County.
